Abilities

PROGRAMMING LANGUAGES

- Main programming languages: Python and C#
- Experience with: C, Java, HTML/CSS, VBA, JavaScript

SERVICES

- Abilities with VBA and Office package.
- Experience with Azure and Azure services.
- Abilities with SQL and databases.

COMMUNICATION

I represented Brazil in a UN simulation, developing my communication skills.

LEADERSHIP

Due to administration and leadership classes at my college, I developed a certain sense of proactivity and organization, as well as feeling certain urgency in completing projects and meeting deadlines.

Experiences

TRANSLATOR | TED

I have worked as a voluntary translator in TED-Ed community, translating TED-Ed captions, for a time.
